

IFSEC India Awards 2026
Application Form: Excellence in Fire Safety & Protection

AWARD CATEGORY	DESCRIPTION
Excellence in Fire Safety & Protection	Recognises organisations that have successfully implemented fire safety and fire protection initiatives to reduce fire risk, strengthen preparedness, improve emergency response, and enhance the protection of people, assets and business operations.
ELIGIBILITY CRITERIA	
1. The organisation applying for the awards must have been operational in India for at least one year as of 31 March 2026. 2. The organisation must be an end-user that has implemented and operated the nominated fire-safety or fire-protection initiative within its own operations. 3. The nomination must demonstrate relevant implementation activity or measurable impact delivered in India during the eligibility period from 1 April 2024 to 31 March 2026. 4. Projects or initiatives commenced earlier may be included where the nomination demonstrates relevant implementation activity or measurable impact during the eligibility period. 5. The nominated initiative must be implemented and operational and cannot be limited to an idea, policy document or development-stage solution.	

IMPORTANT RULES FOR PARTICIPATION
1. All mandatory fields and questions must be completed. Responses should be relevant to the category and supported by evidence where applicable. 2. Please indicate "Not Applicable" only for non-evaluation fields that do not apply. 3. Information presented for evaluation must relate to the nominated initiative and its outcomes within the organisation being represented and during the eligibility period, unless expressly stated otherwise. 4. The final eligibility of the nomination is subject to the Terms and Conditions.
