

IFSEC India Awards 2026
Application Form: Excellence in Security Risk Assessment & Mitigation

AWARD CATEGORY	DESCRIPTION
Excellence in Security Risk Assessment & Mitigation	Recognises an initiative focused on identifying, assessing and mitigating security risks through structured risk evaluation, vulnerability identification, threat prioritisation and implementation of appropriate risk-treatment measures and controls.
ELIGIBILITY CRITERIA	
1. The organisation applying for the awards must have been operational in India for at least one year as of 31 March 2026. 2. The nomination must demonstrate relevant implementation activity or measurable impact delivered in India during the eligibility period from 1 April 2024 to 31 March 2026. 3. Projects or initiatives commenced earlier may be included where the nomination demonstrates relevant implementation activity or measurable impact during the eligibility period. 4. The nominated initiative must be implemented and operational and cannot be limited to a risk-assessment report, ideation or development stage. The nomination must demonstrate that identified risks were addressed through implemented risk-treatment measures or controls.	

IMPORTANT RULES FOR PARTICIPATION
1. All mandatory fields and questions must be completed. Responses should be relevant to the category and supported by evidence where applicable. 2. Please indicate “Not Applicable” only for non-evaluation fields that do not apply. 3. Information presented for evaluation must relate to the nominated project or initiative and its outcomes within the organisation being represented and during the eligibility period, unless expressly stated otherwise. 4. The final eligibility of the nomination is subject to the Terms and Conditions.

Case-study Instructions

- Answer each question in a maximum of 150 words.
- Responses should focus on the nominated initiative, its implementation and risk-mitigation impact during the eligibility period from 1 April 2024 to 31 March 2026.
- Applicants are encouraged to support responses with specific examples, outcomes achieved and relevant evidence that accurately reflect the organisation's implementation and results.

1. Describe the security-risk landscape addressed by the initiative. Explain the assets, facilities or operations assessed, the methodology used, the principal threats or vulnerabilities identified, and how the organisation evaluated and prioritised the risks requiring action.

2. Explain how the prioritised risks were treated and mitigated. Describe the ownership, timelines and risk-treatment measures or controls established, implementation challenges addressed, and how relevant personnel and stakeholders were enabled to apply, monitor and sustain the measures or controls effectively.

3. Demonstrate the risk-mitigation and resilience impact attributable to the initiative during the eligibility period. Provide relevant outcomes relating to residual-risk reduction, closure of vulnerabilities, control effectiveness, incidents prevented, improved compliance or management visibility, and explain how the results were validated and sustained.
